Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

With reference to claims 1-3, 6, 8, & 9, the prior art of record does not disclose or clearly suggest a measuring device for bone screws having different shaft diameters comprising a body having a surface and an edge with a face running essentially vertically to the surface at the edge, wherein the limit stops are arranged in the region of the face at the edge of the body to form part of the face, in combination with the remaining limitations in the claims.

With reference to claims 10-14, the prior art of record does not disclose or clearly suggest a measuring system comprising a body having a surface and an edge with a face running essentially vertically to the surface at the edge, wherein the limit stops are arranged in the region of the face at the edge of the body to form part of the face, in combination with the remaining limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
